## Plan types

### International Single Trip

Designed for single use *Trips* when You are departing and returning to Australia.

### Annual Multi-Trip

Your Annual Multi-Trip policy covers You for international *Trips* as well as *Trips* within Australia where the *Trip* is more than 250km from Your *Home*. If Your *Trip* is in Australia, You are not covered for medical, hospital or dental expenses. When You purchase Your policy please include the countries to where You are travelling. This will determine the *Premium* You pay. Our Annual Multi-Trip can be a good alternative if You plan to make multiple *Trips* over a 12 month period. Compare Your individual requirements before You choose Your plan.

The Annual Multi-Trip offers:

- Annual cover for an unlimited number of *Trips* over a 12 month period
- A maximum duration limit of either 30, 45 or 60 days per *Trip* (or the maximum durations shown on Your *Certificate of Insurance*)
- If You purchase the Annual Multi-Trip plan, the *Sums Insured* under each of the sections of the policy are automatically reinstated on the completion of each *Trip*.

### Domestic plans

These plans are single use *Trips* only available for travel within Australia. Please note the domestic policy does not include any medical or evacuation cover as We are a general insurer and cannot cover medical costs in Australia. Therefore, the domestic policy is not suitable for cruises requiring the medical and evacuation benefit.

## Information about cruising

### Cruise cover

When You purchase Your policy please select the cruise option. This will determine the *Premium* You pay.

### Going on an international cruise

Our policy benefit sections include cover for international ocean and river cruising. You will need to select the countries the cruise travels to as Your country of destination.

### Going on a domestic cruise - medical

If You are going on a cruise which is only in Australian waters or calling into ports in Australia, You may still require a policy which includes medical cover whilst You are on board the ship (check with Your cruise provider) as the medical providers are not registered with Medicare. You will therefore need to select Australian Cruise as Your country of destination. By selecting Australian Cruise as a destination means You will be offered the international policy options and benefits. This will then allow Us to give You the medical and evacuation benefit whilst at sea but not if You go to a medical provider whilst in port in Australia.

# Before You buy

Here is some handy stuff *You* should know before *You* buy this policy and before *You* leave for *Your Trip*.

## Your Duty of Disclosure

This policy is a 'consumer insurance contract'.

Before *You* start, reinstate, extend, or vary this policy with *Us*, *You* have a duty to take reasonable care not to make a misrepresentation to *Us* ("*Your Duty*") under the Insurance Contracts Act 1984 (Cth).

It is important that *You* understand the following about *Your Duty*:

1. When *You* ask for cover, *You* must answer the specific questions that *We* ask completely and with reasonable care. This may mean, for example, that *You* should take reasonable steps to find out the answer to a question if *You* do not already know the answer before responding to the question;
2. If *You* ask for cover to be extended, altered, or reinstated, *We* may:
  - a. Ask *You* specific questions, as mentioned above. *You* must again answer completely and with reasonable care; and/or
  - b. Give *You* a copy of the matters *You* previously disclosed to *Us* in relation to the cover, and request *You* to tell *Us* if there have been any changes to that matter. *You* must answer honestly and completely in telling *Us* what, if any, changes there have been to that matter;
3. *We* rely on the accuracy of the information that *You* provide to *Us* to decide whether or not to insure *You* and, if so, on what terms (including but not limited to the cost);
4. Whether or not *You* have taken reasonable care not to make a misrepresentation to *Us* will be determined with regard to all the relevant circumstances, including any of *Your* particular characteristics or circumstances which *We* were (or ought to have been) aware of. It may also include the type of insurance cover that *You* have asked for and who it is intended to be sold to, and whether or not an insurance broker was acting on *Your* behalf when *You* asked for cover; and
5. *Your Duty* ends once *We* agree, in writing, to insure *You*.

If *You* fail to comply with *Your Duty*, *We* may be entitled to reduce or deny any claim *You* may make or cancel the policy altogether. If *Your* failure to comply with *Your Duty* is fraudulent, *We* may also have the option of avoiding the contract from the beginning, which is, treating it as though it never existed.

If there is something which *You* do not understand, please contact *Us* and *We* will try and assist *You*.

*You* have 21 days from the day *You* purchase *Your* policy to decide if the cover is right for *You* and suits *Your* needs. If the policy does not meet *Your* needs *You* can cancel *Your* policy within this "cooling-off period" for a full refund, provided *You*:

- Haven't started *Your Trip*; and/or

*We* will consider *Your* request and may at *Our* discretion provide *You* with a pro-rated refund. This refund (and *Our* decision in providing *You* with a refund which will not be unreasonably withheld) will be based on numerous factors including:

- The level of cover/policy type chosen; and/or

Any change made may incur an additional *Premium*. Once *Your Trip* has commenced no changes can be made to *Your* policy without *Our* approval. If changes are made to the trip length, the *Period of Insurance* on *Your* new *Certificate of Insurance*, when added to the period on *Your* original *Certificate of Insurance*, cannot exceed a combined maximum period of 12 months.

- *Medical Conditions* which *We* need to assess; and
- *Medical Conditions* which *We* cannot cover.

### Medical Conditions We automatically cover

This section outlines the *Medical Conditions* that are covered.

The person who provides You with this *PDS* is the providing entity. The capacity in which they act is displayed in the Financial Services Guide on pages 30-31.

### Code of practice

We are signatories to the General Insurance Code of Practice, which sets out a commitment by the general insurance industry to raise standards of service and to promote better relations between customers and insurers.

The Code describes standards in areas such as buying insurance, claims handling and dispute resolution.

For more information on the Code or to obtain a copy, You can call Us on (02) 8055 1687, email Us at [racvservice@tmnfatravelinsurance.com.au](mailto:racvservice@tmnfatravelinsurance.com.au) or You can access the Code at [www.codeofpractice.com.au](http://www.codeofpractice.com.au).

### How Your Premium is calculated

The amount We charge You for this insurance policy is the total amount of *Premium* that We determine covers Our risk, associated costs and any government charges like Stamp Duty and GST. When We issue Your policy the total *Premium* and any government charges will be displayed on Your *Certificate of Insurance*. If You change Your policy in any way, You may need to pay an additional amount or You may be entitled to a refund of part of Your *Premium*.

In order to calculate Your *Premium* We take a number of factors into consideration including:

- where You are travelling
- for how long
- the number of travellers and their ages
- the plan You select
- the *Excess* level chosen
- *Medical Conditions* and pregnancy
- plus any other optional extras You choose.

For example:

- the plan - the higher the level of cover the more Your *Premium* will be
- the length of Your *Trip* - in most cases the longer the *Trip* the greater the *Premium*
- the *Excess* You select- the lower the *Excess* You choose the higher the *Premium*
- coverage options - cover like *Ski* and *Winter Sports* and cruise cover increases Your *Premium*.

### How Your claim payment is calculated

Factors that contribute to the calculation of the amount We will pay You for a claim include:

- the actual amount of the loss
- applying the various benefits and limits provided under the plan You have purchased
- less the *Excess* You have nominated on Your *Certificate of Insurance*
- less any compensation, refund or credit You may have received from Your pre-paid booking for Your *Trip*.

For example –

You have purchased *Our* Comprehensive policy and *Your* camera is stolen from *You* whilst at the local market. The following scenario applies:

- *You* paid \$3,000 for *Your* camera when *You* bought it 2 years ago. *Our* policy covers new for old, so there is no depreciation to factor in
- the limit under this policy for an item like a camera is \$3,000 and the overall limit for *Luggage* is \$15,000
- *You* chose to pay the additional *Premium* when *You* bought the policy to reduce *Your Excess* to \$0
- the result is, if *You* have met all the terms and conditions of the policy, *We* will replace *Your* camera or cash settle, up to the cost of an equivalent replacement to a maximum of \$3,000.
