PRODUCT DISCLOSURE STATEMENT (PDS)

WHAT IS A PRODUCT DISCLOSURE STATEMENT

Under the law, we are required to provide a Product Disclosure Statement (PDS) for two of the six covers available within the EasyBiz Tradesperson Insurance Policy, namely;

- Personal Accident and Illness
- Motor Vehicles

This PDS has three parts. Part 1 of the PDS is set out on pages 1-2 of this EasyBiz Tradesperson Insurance Policy. It provides information about costs, your cooling-off rights and other relevant information. Part 2 of the PDS contains the terms and conditions of the Policy and is set out in Section 5, Motor Vehicles (pages 24-33) and Section 6, Personal Accident and Illness (pages 34-38), together with the General Definitions (pages 4-5), General Exclusions (pages 39-41) and General Conditions (pages 42-45). Part 3 of the PDS provides information about our Dispute Resolution Process and our commitment to the Motor Vehicle Insurance and Repair Industry Code of Conduct and is set out on page 46 and 47 of this EasyBiz Tradesperson Insurance Policy.

GENERAL MATTERS

Information you need to provide

When you apply for insurance you will need to give us information about you and your circumstances. We need this to decide whether to enter into an insurance contract with you and, if so, on what terms. The type of information we require depends on which sections of insurance cover you want to take out.

Any personal information you give us will be treated in accordance with the Privacy Act. For further information on privacy and your personal information refer to the Important Information section of your written quotation, cover note or Certificate of Insurance.

Your Disclosure Obligations

When you take out insurance with us you have a duty to tell us everything that you know, or could reasonably be expected to know, is relevant to our decision to insure you and to the terms of that insurance. If you are not sure whether something is relevant you should inform us anyway.

You have an obligation to inform us if those things have changed before you renew, extend, vary, or reinstate your contract of general insurance.

Your duty however **does not** require disclosure of things that:

- reduce the risk;
- are common knowledge;
- we know or, in the ordinary course of our business, ought to know; or
- we have indicated we do not want to know.

If you do not comply with your Disclosure obligations, we may be entitled to:

- reduce our liability for any claim;
- cancel the contract; or
- avoid the contract from its beginning, if your non-disclosure was fraudulent.

What makes up your contract?

When we accept your application, or renew your insurance, or if your insurance is amended, your insurance contract is made up of the following two documents:

- the wording of the policy part of this booklet which applies to the type of cover you have selected; and
- your Certificate of Insurance, which shows the type of cover you have, any change or addition to that cover as well as other information specific to your contract of insurance.

We recommend that you read this booklet and your Certificate of Insurance carefully and keep it with your important papers.

PRODUCT DISCLOSURE STATEMENT (PDS) (CONTINUED)

How much should I insure my property for?

Where cover is on a new for old basis, the sum insured you choose should reflect the full new replacement cost of the property including an allowance for professional fees and removal of debris. Where cover is on a market value basis, the sum insured you choose should reflect the market value of the property at the time of taking out the policy. This should include an amount for GST. Insuring for less than these amounts may affect the amount that we will pay in settling a claim.

Section 1 - Fire and Other Defined Events in the EasyBiz Tradesperson Policy has an underinsurance clause.

Are there any excesses payable?

If you make a claim under the policy, you may have to contribute some money towards the cost of the claim. The amount of any excess and when it applies is detailed in the policy part of this booklet or your written quotation, cover note or Certificate of Insurance.

When making a claim, you may be required to pay one excess or more.

Cost of the policy

The Premium payable by you will be shown in your Certificate of Insurance.

The key factors that influence the Premium Calculation are reflected in the questions asked and the information sought at the time of your enquiry or application for insurance. The factors vary depending on the type of insurance you have selected.

For example, some things that may influence the premium for:

- Motor Vehicle – make, model and type of vehicle, how the vehicle is being used, where the vehicle is garaged, the age of the driver, your previous claims history.
- Personal Accident and Illness – the type of occupation, the length of time you elect to wait before a claim payment can be made, the sum insured of your Average Weekly Earnings and chosen Capital Benefit.

Premiums are also subject to Commonwealth and state taxes and/or charges. These include the Goods and Services Tax and stamp duty. The amount of these taxes and/or charges will be shown in your Certificate of Insurance.

Paying for your Policy

You can choose to pay your premium upfront annually or by direct debit on a monthly basis. To reward you for paying upfront annually, the cost of the policy will be less than if you pay by monthly instalments. This is because the monthly instalments include an administration charge for processing the payments.

If you choose to pay by monthly direct debits, you must ensure that your payments are made each month. If a payment is unpaid for 14 days, we may refuse to pay any claim under the policy. If one instalment is outstanding for one month or more, we may elect to cancel your policy.

If you request an amendment to the cover during the policy period, you will be informed of the cost (if any) of making the amendment.

Is there a cooling-off period?

There is a 21-day cooling-off period. If you're not completely satisfied with your policy, you can cancel it in writing within 21 days of the issue date and receive a full refund. This will not apply if you make a claim for any incident within the 21-day period.

ABOUT THE EASYBIZ TRADESPERSON POLICY

This policy document has been designed to meet the insurance needs of a wide range of tradespersons.

The policy document comprises 6 different areas of insurance cover, set out in Sections, which your business may require. You should carefully read each Section and select those which you believe will best suit your needs. If you are uncertain of any aspect, please do not hesitate to contact us.

We only insure you for those Sections requested by you and specified in the Certificate of Insurance.

IMPORTANT INFORMATION

RENEWAL PROCEDURE

Before your policy expires each year we will normally offer renewal by forwarding a notice advising the Premium payable.
