WELCOME

ROB EVERETT RACV Club General Manager

With the arrival of May, we reflect on recent achievements and look forward to offering even more memorable experiences for our members.

Last year, we were thrilled to launch our unprecedented early-access, premium events program on the hallowed turf of the MCG. We track the RACV Club Priority Pass dream turned reality one year later. Discover the program's ongoing member uptake, all the showstopping sports, premium food-and-drink events and world-class entertainment they have experienced — and what's on the horizon for Priority Pass holders. See pages 8-9 to find out more.

In wonderful news, RACV Club, including City Club and Healesville, and RACV Resorts recently achieved Sustainable Tourism Certification from Ecotourism Australia across its entire portfolio of properties. This is a testament to our teams' commitment and a feather in our cap for the way RACV Club and RACV Resorts are run; sustainably and future focused.

The Four Chef Showdown, which took place in Healesville last month, was another triumph for participants and guests, with Josh Cochrane reigning supreme and retaining his title with the pear millefeuille in a battle of culinary brilliance against the clock! There were just five points between the first and third competitors. Chef Raman was also the first female contestant in the event's short but illustrious history.

Anyone who knows me knows that *Star Wars* Day, taking place on Sunday 3 May from 11:45am-6:30pm in the Theatrette, City Club, is a personal favourite. May the force be with you!

A very happy Mother's Day to all the mums, grandmothers and motherly figures who make our world a better place. RACV City Club and Healesville Country Club & Resort offer delectable high teas, Devonshire tea, luncheon and dinner options on Sunday 10 May, a specialty cake to order from Le Petit Gâteau and One Spa gift vouchers to pamper your Mum with love.

The celebrations continue this month with the Come Fly With Me: An Italian dinner on Saturday 23 May — this year featuring Rat Pack-style music, channelling old-school Italian New York to enhance our splendid set-course dinner and drinks offering.

Save your seat for our annual Black-gold Bounty: Truffle dinner, with its lavish five-course menu, held on Tuesday 16 June in the Members' Dining Room, City Club. Follow this with the highly entertaining Shoku No Kokoro: Japanese dinner event on Saturday 27 June on Level 17 at City Club.

In our next edition, we feature the second coming of chef extraordinaire Philippe Mouchel, who took the mantle from the esteemed Gabriel Gaté a year ago in his inaugural, Normandy-inspired signature dinner at Healesville. This year's event, taking place in the Ballroom at Healesville Country Club & Resort on Friday 7 August, will showcase the cream of Lyonnaise cuisine. Don't miss it.

Keep a regular eye on our What's On page on the Club website to stay informed about the exceptional member events on offer.

The RACV Club Priority Pass program has been a game-changer since its April 2025 launch.

ESCAPE

SWEPT AWAY IN BROOME AND BEYOND

Broome and the Kimberley region are an extraordinary part of Australia to visit.
Here's what you need to see in Australia's North West.

A journey to Broome and through the Kimberley, in Australia's far North West, is a trip of a lifetime. Call it clichéd, but how can it not be when you witness unique sights and attractions? Like taking a boat trip across one of the world's only horizontal waterfalls. Or sightseeing the incredible striped domed rock formations in the Bungle Bungle Range. This is an unbelievable Australian holiday experience — and we've got all the tips to help you plan your Broome and Kimberley adventures.

RACV members can save more on incredible Broome and Kimberley travel experiences, including attractions, tours, car and motorhome rentals.

BROOME

Broome, gateway to the Kimberley, has a range of appealing attractions that kickstart your northern Western Australia getaway. Broome is accessible on a 4.5-hour nonstop flight from Melbourne twice weekly; with stopovers, you can reach Broome daily.

One of Broome's highlights is Cable Beach, Western Australia's most famous landmark and often classed as one of the world's best beaches. Its squeaky white sand, sparkling turquoise waters, epic sunsets and red-duned trails through Minyirr Park impress. A popular Cable Beach activity is taking a sunset camel ride. You'll also want to head to the southern end of Cable Beach, to Gantheaume Point, to see the 130-million-year-old dinosaur footprint fossils, visible at low tide.

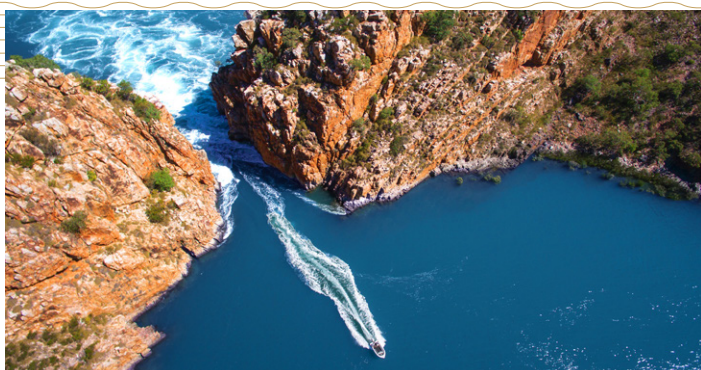

HORIZONTAL FALLS

Located 255 kilometres from Broome, the Horizontal Falls have the unusual phenomenon of fast-moving tides gushing through narrow gorges in the Buccaneer Archipelago. The speed of the water, matched with the narrowness of the gorge gap, makes the water reach more than 10 metres, with the tide also changing direction daily.

Take a speedboat ride through Garaanngaddim (the Horizontal Falls), where you can feel, as much as see, the effect of this phenomenon as you ride the tide. A scenic flight over the falls is equally wondrous.

THE BUNGLE BUNGLE RANGE

To stand in awe of the incredible tiger-striped beehive-shaped rock formations in the 360-million-year-old Bungle Bungle Range is truly astounding. The Bungle Bungles are in the UNESCO World Heritage-listed Purnululu National Park, around 900 kilometres inland from Broome. While only brought into the public eye in the 1980s, this area has been inhabited by the Gija and Kara people for over 20,000 years.

GIBB RIVER ROAD

For an iconic Australian Outback road trip, take the 660-kilometre Gibb River Road from Derby to Kununurra. Only accessible by 4WD, this is truly off the grid, taking you through untouched wilderness. This includes touring stunning gorges, refreshing waterholes, cascading waterfalls and native flora and fauna. Originally constructed to transport cattle (you can still see vast cattle stations en route), the Gibb River Road has since been deemed a bucket-list worthy journey through the heart of the Kimberley.

COVER
STORY

PRIORITY PASS: ONE YEAR ON

The RACV Club Priority Pass dream became a reality in April 2025
— and its dreamlike status continues to grow.

Unlocking a world of premium experiences in sport, music, dining and entertainment has proved paramount to the success of exclusive membership program RACV Club Priority Pass.

Since we announced the April 2025 launch of Priority Pass in our cover story of *Highlights*' May 2025 edition, Club members have gained early access to sold-out concerts or ballot systems for championship games and major sporting events, bespoke food-and-drink experiences and discounts on RACV Club accommodation on event nights — to name a few advantages.

The brainchild of RACV Club management, Priority Pass is a first for the Club, offering a unique opportunity to secure the best tickets in town and beyond. For a nominal annual fee, members continue to enjoy pre-sale access to a wide range of premium events, ensuring they never miss the moments that matter most.

Priority Pass holders have their say about what they've enjoyed so far. Matthew Rossi attended Day 1 of the Boxing Day Test in 2025 and the Big Bash League T20 in January 2025.

Being first in line for marquee events was the catalyst for Club member Matthew signing up to Priority Pass when it launched.

He cites the exceptional event experiences (taking family and friends to a Matilda's 'friendly' match, AFL games and T20 cricket matches) at a wide variety of price points as key benefits. As such, his pluses are many.

"My major highlight was attending Day 1 of the Boxing Day test in the RACV Club corporate suite," Matthew says. "This was a marquee event on the bucket list — and it lived up to the hype; both the experience in the suite and the action on the field.

"Attending the Ashes lunch, and meeting Mark Taylor, Michael Vaughan and Damien Fleming, was also a highlight."

Matthew is looking forward to the 150th anniversary Test match next season.

He credits (Club events staff) Chris Feeney, Simone Langdon and Jane Cahir and all the events team for the program's success.

"They do a fantastic job bringing together the events calendar and delivering great service for members," Matthew says.

Equally, Priority Pass holder Gavin Almenara says the program has provided memorable moments, personally, and meaningful connections with fellow members.

"Being part of RACV Club's Priority Pass the last 12 months has provided access to experiences and hospitality you'd be hard-pressed to find anywhere else," Gavin says.

Over the next 12 months, Gavin is looking forward to dining on the hallowed turf of the MCG, AFL State of Origin in Perth, helicopter winery tours to the Bellarine Peninsula and concerts performed by world-renowned artists such as Harry Styles and Olivia Dean, to list a handful of Priority Pass events.

"I'd encourage any member yet to add Priority Pass to their membership — and not miss these once-in-a-lifetime experiences," Gavin adds.

What's on the horizon for Priority Pass holders? It's time to get excited about State of Origin: NSW Blues v Queensland Maroons on 17 June in our MCG Corporate Suite, bench seats for the Harlem Globe Trotters 100 Year Tour on 11 July at John Cain Arena and Olivia Dean on 5 October and 5 Seconds of Summer on 2 November in our Rod Laver Arena Corporate Suite.

Expressions of interest are also invited for exclusive events at the French Open, Wimbledon, FIFA World Cup 2026 in the US, Canada and Mexico, Tour de France, New York Fashion Week and the US Open.

JAPANESE
DINNER

A SYMPHONY OF CEREMONY

Back by popular demand, the Shoku No Kokoro: Japanese dinner returns in dazzling culinary form and entertainment value.

At this year's second coming of the popular Japanese dinner at City Club, Executive Chef Kyle Doody and team will again guide guests through Japan's vibrant culinary landscape — from bold street eats to delicately composed kaiseki dishes, where seasonal ingredients and modern techniques meet.

But, this year, there's a twist. "I don't want to give too much away, but we will cross different regions and cooking styles (and more)," Kyle says.

"I was overwhelmed with how everyone has taken to this amazing event that we hold with great flair and exuberance at RACV Club."

The sophistication and pursuit of perfection in Japanese cuisine and culture serves as ongoing inspiration.

"I get to inform, educate and hopefully inspire everyone to try something new or different with their own cuisine," Kyle adds.

Asked about the significance of the event's timing, Kyle explains that in Japan, the month of June is typically known for cherries and stone fruits.

Even though we are at the opposite end of the spectrum in Australia, Kyle says he will be "using umeboshi (preserved plums), some very recognisable and some not-so-familiar Japanese ingredients".

The exact menu was top secret at the time of publication, but Kyle can reveal that he and the team will showcase "yellowfin tuna, Wagyu, of course, and some interesting hits from my past."

"Oh, and I did get to walk out on-stage last year to the soundtrack of *Kill Bill*, casting blossoms into the air while holding a wooden samurai sword! I mean, that's epic in itself — and I do have a lot of fun with our members on the night!"

Enjoy live cooking presentations from Kyle alongside traditional Japanese entertainment. Ticket includes five-course dinner, beverages (select beer, wine and soft drink), and entertainment.

WELLNESS

HIT THE GYM THIS WINTER

With winter approaching, now is the time to keep moving with a dedicated fitness program at the RACV Club gym.

It's tempting to burrow in the winter months, keeping warm with comfort food, hot drinks, adding extra layers and turning up the heat. Not that there's anything wrong with that – in moderation.

Beating the winter chill with a regular physical exercise routine will not only increase your fitness levels and boost immunity, but it is also beneficial for maintaining a healthy mindset.

It's important to establish a routine, utilise indoor spaces and join group exercise classes or connect with a gym partner to stay focused and help put your fitness plan into action.

At RACV City Club and Healesville, you can keep moving your way. Do it all in our multi-purpose fitness space – from training in our spacious gym or lapping up our aquatic facilities, to joining other Club members in a group exercise class or squash game.

The A-Z of fitness classes on offer, conducted by our expert gym technicians, include aqua, body pump, boxing, cardio circuit, Pilates/reformer Pilates, squad training, stretch and mobility and yoga, to name a few.

We recommend that new members or members who are new to the gym complete a fitness assessment with one of our experienced trainers before using the centre.

MEMBER SPOTLIGHT

We share insights from RACV Club member Charlene Fernandez about why she joined the Club and what she considers are her member benefits and contributions.

FROM TOP: RACV CLUB MEMBER CHARLENE FERNANDEZ;
A LIVE TRIVIA EVENT AND THE SQUASH COURTS AT CITY CLUB;
RACV CAPE SCHANCK RESORT.

WHY DID YOU BECOME AN RACV CLUB MEMBER?

The initial appeal of RACV Club was the stunning resort locations and the luxurious One Spa amenities. However, my motivation for joining was more personal. I wanted to explore regional Victoria with my husband, who had just moved to Melbourne from San Francisco. Becoming a member was my way of saying, “Let me show you Australia, but with fluffy robes, fine dining and a great wine list!” It offered the ideal balance of adventure and indulgence, which was exactly what I wanted to share with him.

HOW LONG HAVE YOU BEEN A MEMBER?

I joined the City Club in early 2023 on an access membership, and I’ve been happily singing its praises ever since.

WHAT DO YOU ENJOY MOST ABOUT MEMBERSHIP?

I’m a fan of the big three: wellness, food and fun. I enjoy treating myself to a staycation, complete with a massage and in-house movies — for the perfect reset. As a foodie, the exclusive dining events are always a highlight. And then there’s the social side: from premium events at the MCG and Marvel Stadium to trivia nights and mahjong, there’s always something to look forward to. As a remote worker, I especially value having a space that blends productivity with wellness and community.

ARE YOU AN ACTIVE PARTICIPANT IN THE RACV CLUB COMMUNITY?

Yes, I am. I’m part of the Young Professionals group, a mentor in the Club’s mentorship program and a regular at the RACV Club Networking Quarterlies. Occasionally, you’ll find me on the squash court still trying to learn the rules or losing graciously at drag bingo or trivia.

WHAT DO YOU OFFER AND GAIN FROM YOUR INVOLVEMENT?

I bring a curious mind, a collaborative spirit and a genuine commitment to supporting others through the Young Professionals collective. In return, I gain fresh perspectives and meaningful connections. I love being part of a space that’s not just about leisure, but also about growth — personally and professionally.

WHAT IS YOUR FAVOURITE RACV RESORT AND WHY?

Cape Schanck. I love the privacy and serenity of the Cape Schanck ocean view rooms — the balcony offers cinematic views of the coastline. I love that you can go from a hit of tennis to your personal minibar in moments. It’s the perfect mix of calm and comfort — and absolutely worth the road trip from Melbourne.

OUT & ABOUT

The President's Cup Golf Day, played annually on the championship Healesville Country Club & Resort golf course, is always a calendar highlight. This year's event on Sunday 1 March featured a day of friendly rivalry, excellent prizes, fully catered food and drinks and, of course, on-course prowess.

PHOTOS: HM PHOTOS

Horses for courses were in the picture at the ever-popular Healesville Picnic Races on Saturday 28 March. RACV Healesville offered sumptuous plated and buffet luncheon events in our private marquees, trackside, which were in winning form with our race-going Club members. The RACV Golden Thong Day also culminated in lively presentations to the triumphant jockeys at the event.

LEARNING FROM THE BEST

Paying it forward and the voice of experience go hand in hand with the RACV Club mentoring program.

Are you a potential mentor or mentee? RACV Club wants to know about it. Program inductions for groups 3 and 4 in our mentoring program take place on 20 and 21 May.

This exclusive and free Club program provides a platform for likeminded members to: invest in professional and personal growth; widen your professional network; and connect and share career insights and knowledge.

KEY DATES

GROUP	INDUCTION	FINALE DINNER
1	25 February	10 June
2	26 February	11 June
3	20 May	1 September
4	21 May	2 September
5	5 August	18 November
6	6 August	19 November

The program runs for 14-16 weeks, starting with an induction evening to meet your mentor/mentee and concluding with a finale dinner to share stories about what you've learnt during the program.

Given the high volume of applications, submitting a registration does not automatically secure your place in the upcoming intake. Following up is advised.
