**The Bunurong Environment Centre School Holiday Program**

The Bunurong Environment Centre provides environmental education services with experienced education officers and hosts. The centre has an interactive educational display of marine life and dinosaur finds and the world class Inverloch Shell Museum. These school holidays the centre is running a range of activities, including Dinosaur Discoveries, Rockpool Rambles, Wildlife at Night and evening Dancing with the Stars astronomy sessions.

SGCS has supported school programs for many years with slide presentations as well as guided fieldwork.
