SHOWER AND LOO CLEANER

This all-natural cleaner from Krissy Ballinger, author of eco-friendly guide *Naturally Inspired* and founder of The Inspired Little Pot, can be used on your shower and your toilet. Krissy uses clove essential oil, but you can choose your own to personalise the fragrance.

theinspiredlittlepot.com.au

Ingredients

3/4 cup citric acid
1/4 cup sodium bicarbonate
30 drops of essential oils

Method

Put citric acid, sodium bicarbonate and essential oils in a bowl and mix until combined.

Transfer into a container of choice.

To use in shower: Put some of the mixture in a bowl and add enough water to make a paste. Use a microfibre cleaning cloth to smear over shower screens and tiles until covered. Leave for 20 to 30 minutes. Scrub well, then rinse well and dry.

To use in toilet bowl: Sprinkle mixture into toilet bowl and use toilet brush to scrub it around sides and under rim. Leave for 20 to 30 minutes. Scrub again before flushing once or twice. Repeat the process if necessary.
