VALUATION

TOTAL SUM INSURED VALUE:

DISCLAIMER

RACV acknowledges that whilst all reasonable attempts have been made to uncover any defects, there may exist hidden or latent defects or those that cannot be discovered without interfering with the structure of the vessel. In consideration of the person or company to whom this form has been issued, carrying out a visual evaluation of the vessel on behalf of the owner of the vessel concerned, RACV undertakes not to instigate any legal proceedings or action against the person or company. RACV acknowledges that this document is to be used solely by RACV to evaluate the insurance risk and valuation of the vessel concerned and for no other purpose.

For certain insurance products a Product Disclosure Statement is available from RACV Insurance which you should read before making decisions about those products. Insurance issued by Insurance Australia Limited, trading as RACV Insurance.
