

Supplementary Product Disclosure Statement

SPDS Edition 1

This Supplementary Product Disclosure Statement (SPDS) was prepared on 15 April 2021 and will apply to all **RACV Insurance Farm Insurance Product Disclosure Statement and Policy Booklets** (Preparation date: 9 April 2021) version CID0147 REV3 04/21 (PDS) with a new business effective date on or after 8 July 2021 or with a renewal effective date on or after 8 July 2021.

The information in this SPDS updates and should be read with the PDS and any other applicable SPDS. These documents together with Your Certificate of Insurance make up the terms and conditions of your insurance contract with Us. Your current Certificate of Insurance outlines the cover You have chosen.

Changes to Your PDS

Change 1 – Update to No Claim Bonus information

1. Your PDS is amended by adding the following terms in the General Matters section, under ‘Are there any additional benefits?’ on page 4 after the word ‘include’:

- No Claim Bonus – a ‘No Claim Bonus’ is a discount that can be earned on eligible comprehensive policies in recognition of a claims-free record.

2. Your PDS is amended by inserting the following additional terms to the table in Section 9 – Motor Vehicles under clause 9.4 Additional Benefits on page 60:

(e) No Claims Bonus

A No Claim Bonus is a discount that can be earned on eligible comprehensive policies in recognition of a claims-free record.

No Claim Bonus is calculated on each eligible Vehicle insured under your motor vehicle policy unless your claims history does not entitle you to a No Claim Bonus.

We calculate Your No Claim Bonus based on the claims history of you and any other policyholders.

For each year there is no at-fault claims made on a Vehicle under your policy, we allow a discount from the basic premium for that Vehicle. The discount increases each claims-free year you have for a Vehicle until the maximum is reached.

The No Claims Bonus discount that applies to your basic premium is shown in your current Certificate of Insurance.

Each year at renewal, Your Vehicle’s No Claim Bonus is re-calculated.

In all other cases, at the next renewal you will lose part of your No Claim Bonus following each at-fault claim. The discount then increases again after each claims-free year up to the maximum.

The remaining terms in the table under clause 9.4 are renumbered as follows:

- (f) No Blame Bonus Concession
- (g) Personal Effects
- (h) Death Benefit
- (i) Front Windscreen
- (j) Transit
- (k) Hire Costs Following Theft
- (l) No Fault Excess

3. Your PDS is amended by deleting and replacing the terms in the table in Section 9 – Motor Vehicles under clause 9.6 Optional Cover on page 64 with the following:

(1) Maximum No Claim Bonus Protection

If your Vehicle is eligible for this No Claim Bonus Protection, your current Certificate of Insurance will show 'No Claim Bonus Protection' when this Optional Cover has been selected.

You will be protected for the first at fault claim for each of your Vehicle(s) insured under your policy during each Period of Insurance if you have paid the additional premium required.

You are entitled to make one at fault claim each Period of Insurance without losing the No Claim Bonus if the Vehicle –

- (i) has a carrying capacity of less than 2 tonnes; and
- (ii) is receiving our maximum No Claim Bonus discount.

.....
Change 2 – Revision and addition to Cost of the policy
.....

Your PDS is amended by inserting the following new paragraph in the General Matters section, under 'Cost of the policy' on page 6, before the heading 'What happens if you don't pay on time':

Your premium, including any discounts You may be eligible for, are subject to minimum premiums. We consider the minimum amounts we are prepared to sell the policy for and may adjust your premium to ensure it does not fall below the minimum premium. Any discounts will be applied to your policy, only to the extent any minimum premium is not reached. This means that any discount you may be eligible for may be reduced. When we determine your premium on renewal, we may also limit any increases or decreases in your premium by considering factors such as your previous year's premium amount.

.....
Change 3 – Replacement of the complaints handling process
.....

Your PDS is amended by deleting the 'Our Internal Dispute Resolution Panel' and 'Australian Financial Complaints Authority' sections on page 82 and replacing with the following:

PRODUCT DISCLOSURE STATEMENT (PDS)

WHAT IS A PRODUCT DISCLOSURE STATEMENT?

This Product Disclosure Statement (PDS) is designed to help you understand the key features of three of the 11 covers available within the Farm Insurance Policy. They are the Domestic House and Contents cover, Personal Accident and Illness cover, and Motor Vehicles cover for which we are required by legislation to provide a Product Disclosure Statement. Limited cover for motor vehicles can also be provided under the Fire and Other Defined Events cover in the policy. The PDS also provides a summary of this limited cover for motor vehicles. If you have any questions or require explanation about any of the other covers contained within the Policy, please don't hesitate to contact us.

This PDS is a summary only of the cover available under the Farm Insurance Policy for Domestic House and Contents, Personal Accident and Illness, and Motor Vehicles. For full details of the benefits, limitations, exclusions and options under these covers (and the other covers in the policy) refer to the policy part of this booklet and your Certificate of Insurance or written quotation.

Your Farm Insurance PDS booklet contains your policy terms and conditions or policy wording in a separate section or part, or under a separate heading. The policy terms and conditions or policy wording in your PDS booklet also applies to the Personal Accident and Illness cover, Motor Vehicle cover, and Domestic House and Contents cover and form part of the PDS.

A Supplementary Product Disclosure Statement (SPDS) can amend your PDS.

GENERAL MATTERS

Information you need to provide

When you apply for insurance you will need to give us information about you and your circumstances. We need this to decide whether to enter into an insurance contract with you and, if so, on what terms. The type of information we require depends on which sections of insurance cover you want to take out.

Any personal information you give us will be treated in accordance with the Privacy Act. For further information on privacy and your personal information refer to the Important Information section of your written Quotation, Cover Note or Certificate of Insurance.

What makes up your contract?

When we accept your application, or renew your insurance, or if your insurance is amended, your insurance contract is made up of the following two documents -

- the wording of the policy part of this booklet which applies to the type of cover you have selected, and
- your Certificate of Insurance, which shows the type of cover you have, any change or addition to that cover as well as other information specific to your contract of insurance.

We recommend that you read this booklet and your Certificate of Insurance carefully and keep it with your important papers.

How much should I insure my property for?

Where cover is on a new for old basis the sum insured you choose should reflect the full new replacement cost of the property including an allowance for professional fees and removal of debris. Where cover is on a market value basis, the sum insured you choose should reflect the market value of the property at the time of taking out the policy. This should include an amount for GST. Insuring for less than these amounts may affect the amount that we will pay in settling a claim.

The Domestic House and Contents cover (as well as some of the other covers in the Farm Insurance Policy) has an underinsurance clause. This means that if your selected sum insured is less than 80% of the replacement (new) cost of your house and/or contents at the time the insurance cover was taken out, renewed, extended or changed, the amount you will receive for any claim will be reduced. The amount of your claim payment will be determined in accordance with the formula in Section 2.3(18).

Are there any excesses payable?

If you make a claim under the policy you may have to contribute some money towards the cost of the claim. The amount of any excess and when it applies is detailed in the policy part of this booklet or your written quotation, cover note or certificate of insurance.

When making a claim you may be required to pay one excess or more.

Cost of the policy

The cost of the policy, or premium, is made up of the amount that we charge you for the cover plus any statutory charges such as GST and stamp duty. The details of these costs will be on your written quotation, cover note or certificate of insurance.

You can choose to pay your premium up-front annually or by direct debit on a monthly basis. We may also allow you to pay on a quarterly or half year basis.

What happens if you don't pay on time

- a) When you take out insurance, you need to pay your annual Premium or any instalments by the due date specified on your Certificate of Insurance.
- b) An instalment is unpaid if it cannot be deducted from your nominated account or credit card.
- c) If your Premium is overdue, we will send you a notice outlining the overdue amount and when it needs to be paid.
- d) If your Premium remains unpaid after the time period specified in the notice we send, we will:
 - cancel your Policy for non-payment; and
 - refuse to pay any claim for an incident occurring after the cancellation date.
- e) If you pay by instalment, we will send you a second notice either before cancellation informing you of the effective date of cancellation, or within 14 days after cancellation confirming the effective date of cancellation.
- f) If you need to make a claim when your Policy is overdue, and before your Policy has been cancelled for non payment, we will require you to pay the overdue amount as part of the claim settlement process. Alternatively, where the settlement method allows we can reduce the settlement payment by the overdue amount.

If you request an amendment to the cover during the policy period, you will be informed of the cost (if any) of making the amendment.

Is there a cooling off period?

There is a 21 day cooling off period. If you're not completely satisfied with your policy, you can cancel it in writing within 21 days of the issue date and receive a full refund. This will not apply if you make a claim for any incident within the 21 day period.

WHAT IS THE CODE OF PRACTICE?

The General Insurance Code of Practice (“the Code”) is a self regulatory code put together by the Insurance Council of Australia after negotiation and consultation with the Commonwealth Government and other groups, including consumer organisations.

The Code applies to Domestic House and Contents - Section 2, Personal Accident and Illness - Section 7, and Motor Vehicle - Section 9.

The purpose of the Code is to raise the standards of practice and service in the general insurance industry.

The objectives of the Code are:

- to commit us to high standards of service;
- to promote better, more-informed relations between us and you;
- to maintain and promote trust and confidence in the general insurance industry;
- to provide fair and effective mechanisms for resolving complaints you make about us; and
- to promote continuous improvement of the general insurance industry through education and training.

The Code Governance Committee is an independent body that monitors and enforces insurers’ compliance with the Code.

Our Commitment to you:

We have adopted and support the Code and are committed to complying with it. Please contact us if you would like more information about the Code or the Code Governance Committee.

OUR INTERNAL DISPUTE RESOLUTION PANEL

We have established an internal dispute resolution process for our clients. If you think that our decision about your claim is incorrect, talk to us about it. You can phone, write or come in to see us. A senior officer will check that all facts have been looked at, revise the decision if warranted, or explain why the original decision was made.

If you are still not happy, you can request a referral to our Dispute Resolution Panel. This Panel consists of senior management who are able to review the matter objectively and will -

- take a fresh look at your case; and
- vary the decision if this is considered appropriate.

The review process is designed to be both prompt and efficient. Referral to the Panel will be confirmed in writing within 3 working days of receiving your request. You will then be sent a letter by the Panel advising on the outcome or the status of your case, within the next 7 working days.
