Introduction

This brochure is designed to help you make the most of your Emergency Roadside Assistance (ERA) package by providing you with a guide to your entitlements and the extent to which the service and benefits apply to you.

Please note that this brochure contains the Terms and Conditions of ERA products. From time to time, RACV may require changes to be made to its products in order to respond to changes in legislation and other environmental factors. Members holding ERA Products will be advised of RACV’s intention to make any such changes through the RACV website (rerv.com.au) and using any other means adopted by RACV (in its absolute discretion).

The full ERA terms and conditions can be found at racv.com.au and Members can obtain a copy of the most recent terms and conditions at any RACV retail shop. If the Member considers that a change to the ERA product will have a serious, detrimental effect on the Services supplied to the Member by RACV then the Member may request that RACV cancel the Services and RACV agrees to refund the unused portion (pro-rata) of any Subscription Fee to the Member.

RACV Emergency Roadside Assistance

Our aim is to get your Vehicle mobile at the time of breakdown to allow you to continue your driving journey. Where this is not possible, we will provide reasonable options appropriate to the situation to assist you in getting your Vehicle to a Place of Repair. While your Vehicle is either being repaired within close proximity to the breakdown location, or being transported to an agreed destination, we will provide suitable benefits to minimise disruption to you and your passengers.

available for vehicles which are at a Place of Repair.

- The Member or their representative who is over 18 years of age and whose identity has been agreed with RACV, must be with the Vehicle or at a pre-determined meeting point when an RACV Service Provider arrives.

Extended Benefits and Personal Benefits are only available for incidents which occur within Australia.

**Change of Vehicle**

Members must nominate the Vehicle to which Services are to be provided, and Services will only be provided to the Member in respect of that Vehicle (unless the Member holds Total Care). Members may change the Vehicle nominated for Service. Total Care product holders can receive Service on a maximum of four vehicles per year.

Extended Benefits, additional towing for Extra Care and Total Care and Personal Benefits are only available in respect of a newly nominated vehicle 24 hours after changing a Nominated Vehicle and provided that the newly Nominated Vehicle does not have a pre-existing condition.

**Circumstances outside RACV control**

RACV will not be liable for any failure or delay in providing the Service, either in whole or part, where failure or delay arises directly or indirectly out of causes beyond the reasonable control of RACV including, without limitation; adverse weather conditions, unavailability of materials, parts, qualified personnel, equipment, fuel or the like; failures in telecommunications, satellite and global positioning systems (including loss of coverage in any or all of the Service areas); and otherwise where the relevant Service is not reasonably available.

**Claiming of Benefits**

With the exception of Total Care product holders claiming accident benefits, RACV must be notified of your intention to claim Extended Benefits within three business days of the incident.

**Consequential Loss**

To the extent permitted by the law, RACV will not be liable to any person for any indirect, special or consequential loss or damage in connection with the Services, whether in contract, tort (including negligence), statute or otherwise.

**Cooling-off Period**

A Member has 21 days from the date of purchasing or renewing an ERA Product to cancel their subscription, and will be entitled to a refund of any Subscription Fees paid, if no Service calls have been made or Extended Benefits have been used.

**End of the Incident**

RACV will consider an incident to have ended in respect of providing Service and/or Extended Benefits when:

- The Vehicle is mobilised; or
- A Reasonable Time has been allowed to repair the Vehicle; or
- The Member/driver has reached or been allowed time to reach the agreed destination once it has been agreed that Vehicle Transportation will be provided; or
- The Maximum Benefit has been reached; or
- The Vehicle is at a place of repair and/or the Member has returned home (Alternative transportation will be provided for Member to collect the vehicle once it has been repaired); or
- The Vehicle cannot be repaired.

**Fire Damage**

Service is only available for fire damage when the extent of the damage is limited to the engine bay of the vehicle.

**General Limitations**

- The method of delivery of Services will be at the sole discretion of RACV, including without limitation regarding the type, method or provider of transportation, accommodation, rental vehicle, air transport, alternative transport or vehicle transportation provided or paid for.
- Where there is any ambiguity regarding services and entitlements available to Members, RACV is only liable to provide or pay for services to the extent clearly and expressly provided for in these Terms and Conditions.
- Where a Vehicle is leaking gas or fuel, RACV may refuse to attend the vehicle unless and until emergency services have attended and deemed the Vehicle and environment safe.
- RACV may accept liability for damage to a Vehicle directly caused by Service to it where notice of that damage is given to RACV within 7 days of service, RACV is given an opportunity to inspect the vehicle before repairs are carried out and considers that the damage was directly caused by negligence on the part of RACV in providing the service. RACV is under no strict obligation to accept liability.
- Notwithstanding the previous paragraph, RACV does not represent that any Vehicle (or any part thereof) to which it provides Service will be, or will remain for any period of time, in working order, and accepts no liability to any person in connection with Services provided to a Vehicle, including in connection with breakdowns, accidents or injuries that may occur following Service whether in tort (including negligence), contract or otherwise.

If, notwithstanding the above, RACV is found to be liable to the Member and/or any other person, RACV’s liability is limited to a sum not exceeding:

- $5,000 for Roadside Care;
- $10,000 for Extra Care; or
- $15,000 for Total Care.

in respect of the aggregate of all claims, during any consecutive period of 12 months.

- RACV reserves the right to refuse applications for any product or service, or extension or upgrade thereof, in its absolute discretion, without giving any reason.
- Assistance for motorcycles is limited to petrol and towing. Towing may not be available outside the Metropolitan Area.
- These Terms and Conditions are subject to the By-Laws and the Articles of Association of RACV.
Glossary
Words defined in the Glossary have the meaning given there when they appear in these Terms and Conditions, unless the context expressly requires otherwise.

Hazardous Locations
Where a Vehicle is deemed by RACV to be in a hazardous location, RACV may dispatch a tow truck to move the Vehicle to the nearest safe location. Where, however, the Vehicle is not Towable or is not able to be safely accessed by a standard commercial towing Vehicle, RACV may refuse to provide Service to it.

Immediate Assistance
Where ERA is required and the Vehicle is not covered by an ERA Product, a non-refundable one or two year subscription must be paid before Service will be provided.

Extended Benefits, additional towing for Extra Care and Total Care and Personal Benefits are not available for the initial incident and are subject to a 24 hour waiting period (refer to page 16).

ERA in Alpine Areas during the official snow season may attract a surcharge.

Interstate and Overseas Coverage
Subject to the terms of any agreements entered into by RACV with affiliated motoring organisations Members with an RACV ERA Product travelling interstate and overseas may be entitled to breakdown services, towing and/or other services from those affiliated motoring organisations. The service provided will be in accordance with the affiliate motoring organisation’s terms and conditions. For Extra Care and Total Care Members (and subject to all items in Section 6 - General Conditions, Exclusions and Limitations, of these terms and conditions), RACV will pay to have someone attend your Vehicle or Tow you to a Place of Repair on occasions where your requirements are not covered by the affiliated motoring organisation. In this situation, RACV must be contacted for prior authorisation.

Maximum Benefits
The cumulative value of the Extended Benefits for each ERA Product per Subscription Year will not exceed the following amounts (notwithstanding any statements which may suggest the contrary, including with limitation, statements that an ‘unlimited’ amount of a service or number of benefits are available, or that a particular amount or value will be provided):
- Roadside Care $5,000
- Extra Care $10,000
- Total Care $15,000

Overdue Renewals and dishonoured Instalment Payments
Any overdue renewals or dishonoured instalment must be paid prior to receiving service.

Where an ERA renewal or instalment is not paid by the due date, grace periods apply for up to 30 days for Members claiming either ERA, Extended Benefits or Personal Benefits.

If payment has not been made after 30 days Extended
Benefits and Personal Benefits will not be available for that incident but the member is eligible for ERA.

If payment has not been made after 90 days the ERA policy will lapse. Any request for service will require the purchase of a non-refundable one or two year subscription. Extended Benefits and Personal Benefits will not be available for that incident.

Parts Used During Emergency Roadside Assistance
Parts provided by the Service Provider may or may not be genuine parts. All parts comply with relevant Australian Standards and regulatory requirements and are fit for purpose.

Refunds
Parts of Subscription Fees may be refunded prior to the end of the subscription period in the following circumstances:

- Where a Member cancels a multi-year subscription package, only the current year will be non-refundable;
- A Member dies and the spouse or de facto partner of the deceased Member does not want a pro-rata credit applied to their own subscription; or
- A Member’s Nominated Vehicle is stolen or declared a total loss.

Where a vehicle is deleted from a subscription and is not replaced, pro-rata credits are applicable to current subscriptions.

Refunds or credits will not be provided if a change is made during a Subscription Year (for example: a change from Total Care to Extra Care or Roadside Care or a change of the Nominated Vehicle).

Reimbursement of Costs
In some circumstances Members may be required to initially meet the costs of Services. Where expenditure is authorised by RACV and within the entitlements of the relevant ERA Product, it will be reimbursed upon production of appropriate receipts acceptable to RACV. Claims for reimbursement must be made within 90 days of the call for service or the date that the cost was incurred, whichever is earlier.

Size and Weight Restrictions
Limitations apply to all registered Vehicles, Caravans and Trailers (refer to Size and Weight Restrictions table on page 16). ERA is not available for any Vehicles, Caravans and Trailers outside these limitations. Towing Service can be arranged where available for Vehicles outside these limits at commercial rates.

Unroadworthy Vehicles
Service may be refused to a Vehicle, if in the opinion of an attending Service Provider, the Vehicle is unroadworthy or, in the case where Towing Services are requested or required, where the Vehicle is not Towable.

Vandalism/Theft
Where a Vehicle has been damaged due to vandalism or theft, Service will only be made available after the Member signs a release and indemnity in favour of RACV for any

7. Entitlement Limitations

Accommodation
RACV will pay for accommodation costs of up to $150 per night for Roadside Care members; or $170 per night for Extra Care and Total Care members. Any charges for meals, telephone calls, room service etc. over the room only rate will be at the Member’s own expense. The venue for accommodation is at the sole discretion of RACV.

Alternative Transport
Alternative transport consists of any land, air or sea transportation as deemed appropriate by RACV. The form of alternative transport will be at the sole discretion of RACV. The provision of alternative transportation is subject to availability and any terms and conditions imposed by the Service Provider. RACV will cover the cost of base fares or rates. Additional costs such as excess baggage, cancellation fees, etc. will be at the Member’s expense.

Fair Use Policy
It is important to RACV that all Members are able to access entitlements and our expectation is that Members will maintain their Vehicle in working condition. Therefore, RACV reserves the right to limit or refuse to provide Services or an entitlement to a Member where, in the opinion of RACV, the Member’s use of the Services or an entitlement is excessive, unreasonable or not reasonably required by the Member in the circumstances. It is intended to minimise the inconvenience of a vehicle breakdown through timely attendance, professional diagnosis and temporary repair wherever possible.

When ERA is requested more frequently than RACV considers reasonable, you may be requested to ensure that the vehicle is placed in a sound mechanical and roadworthy condition (including obtaining a roadworthy certificate under the Road Safety [Vehicles] Regulations 2009 [as amended or replaced from time to time] if deemed necessary in RACV’s absolute discretion) and, until this has been done, any further requests for Service may be refused or provided for a fee.

Circumstances that constitute a breach may include, but are not limited to, multiple service calls in a given month for the same reason (e.g. flat battery, faulty alternator, out of fuel etc.). The Member is expected to take reasonable steps to resolve the issue causing the Vehicle fault.

Extended Benefit amounts are excluded from the fair use policy, each member is entitled to the capped amount according to the roadside product tier the member holds.

Members with Total Care are entitled to receive Service on up to four Vehicles in each Subscription Year.

Without limiting the circumstances in which RACV may apply this policy,
RACV will apply this policy if any use of the Services or an entitlement by a Member is considered by RACV to be fraudulent or to adversely affect the provision of the Services or an entitlement to other Members.

**Locksmith**

Repairs or replacement of lock barrels are not covered under locksmith entitlements.

The attending Service Provider will require photo identification, such as a current driver’s licence, before providing Service.

**Medical-Related Transport Benefits**

Medical-Related Transport Benefits do not cover:

1. Any expenses incurred where RACV has not been contacted beforehand and agreed to pay for them;
2. Any expenses that are covered by Medicare or any registered health benefits organisation;
3. Any fee or charge related to hospital cover or medical expenses;
4. Without limiting the sub-clause 3 above, any fee or charge related to ancillary health benefits as described in the National Health Act 1953 (as amended or replaced from time to time);
5. Any expenses payable under Federal or State Government compensation schemes for work-related accidents or motor vehicle accidents;
6. Transportation by ambulance;
7. Transportation by air unless deemed necessary by a doctor;
8. Any transfer fees, charges or costs associated with the transfer or funds or personal items;
9. Transport equipment such as coffins, embalming costs, administrative costs, funeral costs and secondary transfer fees associated with transporting a deceased person;
10. Accommodation, unless expressly stated.

**Rental Vehicle**

RACV has no obligation to pay for the rental vehicle costs in excess of $88 per day. The rental vehicle provided, and/or rental company used, is at the sole discretion of RACV.

The provision of rental vehicles is subject to availability and any terms and conditions imposed by the individual rental companies.

Any security deposit required by the rental company, any insurance excess or fuel bond, excess kilometre charges, or any other costs in excess of the daily rate will be at the Member’s expense. However, for Extra Care and Total Care Members, RACV will provide up to $300 per incident towards any applicable relocation fees.

In some circumstances rental vehicles are not available for drivers under the age of 25 years. In most cases deposits must be paid by credit card.
Spare Parts
Where available, RACV may fit authorised spare parts to assist in getting your vehicle mobile. Members must pay for all spare parts unless a provision in these Terms and Conditions states that spare parts are provided as part of ERA. Spare parts will not be picked up or delivered. Spare parts do not include consumables such as oil, fluids, coolant and batteries.

Taxis
The provision of taxis is subject to availability at the time of booking.

Towing – General
Towing Service will be provided utilising the most appropriate vehicle reasonably available. In Country Areas in particular, limited types of tow trucks may be available.

Towing Service will not be provided for vehicles:
- Which are not Towable;
- Damaged as a result of fire outside the engine bay;
- Vehicles which have been involved in an Accident or have impact damage;
- Bogged on private property or on a public highway not trafficable to normal two wheel drive vehicles;
- Requiring special towing equipment such as a power winch or extension cables or for situations where a four wheel drive vehicle is required;
- Which cannot be opened or started because keys have been lost or locked in the Vehicle;
- With keyless entry unless the steering is unlocked and the Member can provide adequate identification; or

- Which (in RACV’s reasonable opinion) are overloaded or not safely loaded or secure.
- Carrying dangerous goods as defined under the Dangerous Goods Act 1985 (Vic.) including explosive, flammable, combustible, toxic radioactive, corrosive or other dangerous goods.

Towing – Excess Kilometres
Towing kilometres in excess of the limits described herein will be payable by the Member at the time of the Tow.

Towing – Number Available
One tow is available after a breakdown where the nominated vehicle cannot be mobilised. However, if the nominated vehicle cannot be towed to the Place of Repair chosen by the Member during its hours of operation, RACV will offer the Member a tow to an agreed interim location and then a second tow to the Place of Repair during its hours of operation. Any subsequent tows for the same breakdown will be payable by the Member at commercial rates. A limit of one Vehicle Transportation is available per incident.

Trailer Hire
Where the Member is entitled to a Trailer hire benefit, in most instances RACV will require the Member to arrange their own Trailer hire, and seek reimbursement for this cost from RACV within entitlement limits.
Vehicle Transportation
Where a vehicle cannot be repaired within three business days at the Place of Repair, RACV may attempt to find an alternative Place of Repair. If the Vehicle is still unable to be repaired, RACV will transport your vehicle to an agreed destination. A limit of one vehicle transportation is available per incident. The provision of vehicle transportation is subject to availability and any terms and conditions imposed by the individual transport companies.

Verification of Eligibility or Identity
Where a Member is required to verify their identity in person, RACV require current photographic identification.

Wheel Changing
ERA will include assistance in changing a punctured or damaged tyre, providing the driver provides a spare wheel and tyre in a serviceable and roadworthy condition, and of a design and type compatible with the Vehicle. Where the replacement tyre is incompatible, unserviceable, or unroadworthy the Service Provider may, at his or her discretion, fit the tyre for the purpose of temporarily mobilising the Vehicle but only if the driver agrees to sign a release or indemnity in favour of RACV for any injury or damage arising out of the use of the tyre.

Where a suitable replacement tyre is not available, Towing Service will be provided however, Extended Benefits are not applicable for this incident (subject to these Terms and Conditions).
