EVENT PARTNERS

ŌRA KING™

Nurtured in the pure and isolated waters of the Marlborough Sounds in New Zealand, Ōra King salmon showcases the ultimate in appearance, taste, texture and colour of this rare and exclusive species.

The high oil content present in the Ōra King breed can be seen in the striking marbled fat lines within the bright orange flesh, instantly drawing comparison to Wagyu.

MONTALTO

Montalto is a family-owned winery experience in the heart of the Mornington Peninsula producing three distinctive wine ranges: Pennon Hill, Montalto Estate and a Single Vineyard range.

Montalto Pennon Hill is a true expression of the Mornington Peninsula. Blended from the very best fruit from our five vineyards across the region and made following exacting viticulture and winemaking techniques, Pennon Hill is bright, fresh and infinitely more-ish.
