The Activity Program provided by RACV Inverloch Resort is designed to encourage participation by children and adults. RACV Inverloch Resort strongly encourages family interaction and holidays are always a fantastic opportunity for you to have fun with your children. Please understand, therefore, that our Activity Program is not a child-minding service. All children must have a parent/legal guardian present throughout all activities. Staff are present at each activity for the purpose of encouraging group interaction and participation. All persons who engage in a recreational activity do so at their own risk. We thank you for your cooperation and we look forward to meeting you throughout the Activity Program.
