# Welcome

**W**elcome to the Autumn edition of Happenings. It's a great time of year, still with warm and sunny days, ideal for taking advantage of outdoor dining and activities. Whether enjoying the perfect golfing weather, a weekend high tea or a family dining experience there are a variety of options available around the resort.

If you haven't been yet, make sure you come in to enjoy the live music at Tees' on Friday and Saturday early evenings and Sunday afternoons. It's a great way to wind down at the end of the week.

One Spa is now open from Tuesday through to Sunday, so treat yourself or a loved one to a little luxury and enjoy one of the many treatments available. Why not spoil Mum too? Mother's Day isn't far away, so a gift card is the perfect way to give her something special.

In addition to the many facilities, restaurants and bars available to locals, don't forget that there is the option of golf and tennis coaching at the resort. Everything from learning to play to intermediate and advanced coaching is available. It's a great way to get outdoors, keep fit and improve or learn a skill. Hope to see you around the resort!

Regards
