## INDIAN WEDDING REVIEW

"A wedding is a major event and requires different stakeholders to work together in a coordinated manner to make it a success. We were impressed with your customer friendly attitude, focus, enthusiasm, promptness, organisation and calmness, all of which made the journey a pleasurable and a memorable one. We have interacted with other venues and we can say this without any doubt that you and the RACV Country Club have been fabulous hosts, an opinion shared by many of our guests.

It was great to see our wedding coordinator in a sari and enjoying the occasion while fulfilling her duties in a professional manner.

In any wedding for that matter especially an Indian one, food is extremely important. Your chef did a great job to satisfy the gastric juices. He was friendly, accessible, ready to provide suggestions and had the customer at heart. The presentation was excellent and guests had a good time.

Once again our special thanks to the team for helping us organise Divya and Karan's wedding which took place on 22 Feb, 2019 at RACV Country Club."
