While the RACV will endeavour to accommodate requests for meals for customers who have food allergies or intolerances; there is always a risk of cross-contamination due to the potential of trace allergens in the working environment and supplied ingredients in our kitchen. We use products such as milk, eggs, gluten, peanuts, other nuts, sesame seeds and capsicum and cannot guarantee a total absence of these products in any of our meals or products. Customers with food allergies must be aware of this risk. The RACV will not assume any liability for adverse reactions from the food consumed, or items one may come in contact with whilst eating any of our products.
